

JUNIOR CHAMPIONSHIP 2017-2018

For the purposes of the Junior Championship, the final average for each shooter has been calculated based on the best 12 scores achieved during the season. Any scores below that are counted out (highlighted yellow). Matches not shot (highlighted pink) will be counted out provided there are 12 qualifying scores remaining. The results are displayed in **TABLE A** and are ranked in order of Aggregate score for top 12 scores and Final Average.

For shooters who have less than 12 qualifying scores, their averages have been calculated separately, based on the number of matches shot. These are displayed in **TABLE B**. These averages do not count towards the Junior Championship and are ranked in order of Aggregate Score.
