

JUNIOR CHAMPIONSHIP 2021-2022

For the purposes of the Junior Championship, the final average for each shooter has been calculated based on the best 8 scores achieved during the season. Any scores below that are counted out (highlighted yellow). Matches not shot (highlighted pink) will be counted out provided there are 8 qualifying scores remaining. The results are displayed in **TABLE A** and are ranked in order of Aggregate score for the top 8 scores and Final Average based on the top 8 scores.

For shooters who have fewer than 8 qualifying scores, their averages have been calculated separately, based on the number of matches shot. These are displayed in **TABLE B**. These averages do not count towards the Individual Championship and are ranked in order of Aggregate Score
