

LADIES' CHAMPIONSHIP 2021-2022

For the purposes of the Ladies' Championship, the final average for each shooter has been calculated based on the best 10 scores achieved during the season. Any scores below that are counted out (highlighted yellow). Matches not shot (highlighted pink) will be counted out provided there are 10 qualifying scores remaining. The results are displayed in **TABLE A** and are ranked in order of Aggregate score for the top 10 scores and Final Average based on the top 10 scores.

For shooters who have fewer than 10 qualifying scores, their averages have been calculated separately, based on the number of matches shot. These are displayed in **TABLE B**. These averages do not count towards the Individual Championship and are ranked in order of Aggregate Score
